

150W

LED
Commercial
Flood Light

Features

- Rated Voltage: AC 100V-277V, Operating frequency: 50-60HZ. Power factor > 0.8.
- High efficiency Samsung LED, patented technology for LED integrated.
- Protection level reaches to IP65, Insulation Class: CLASS 1.
- Die-casting part is high quality aluminum alloy with high thermal conductivity.
- 3.5mm lead-free super-white toughened glass.
- LED driver efficiency up to 91%; Constant current accuracy 5%; LED works more stable.

Performance Summary

- 150W LED Floodlight, 85+lm/W, equivalent to 240W Metal Halide
- High performance Samsung LED
- Outdoor Application, IP65
- Color temperature: 3000K 4000K 5000K 6000K
- Certificate: UL/cUL (E345599), DLC
- 5 Year Warranty
