

# 3W, 5W 7W

LED  
Residential  
Track Lights

## Features

- Lamp body is high quality aluminum alloy which has excellent cooling performance.
- High quality, low power consumption/high efficiency LEDs have high CRI and lumen output.
- Light heads have built in driver, are easy to install and fully adjustable.

## Specification

Color Accuracy (CRI)	Material	Beam angle
≥70	Al + PC	60°
