

100W, 200W

LED
Commercial
High Bay Light

Features

- Input voltage range: 100~240/277V ac ; 200~480V ac
- Constant current power supply with efficiency of 90%, and long life and high accuracy. Mean well Driver.
- Thermal conductivity copper heat sinks
- Insulation rate : Class 1
- International EMC passed
- Directives executed: IEC 60598, IEC 61000-3-2:2005, IEC61347, UL8750
- 5 Years Warranty

Performance Summary

- Power Consumption: 100W equivalent to 300W HID
- High performance Samsung LED
- Outdoor Application, IP65
- Color temperature: 3000K 4000K 5000K 6000K
- Certificate: UL/CUL Listed pending FCC, CE, RoHS
- 5 Year Warranty

Specification

Life	Material	Beam angle	IP	Input Voltage
50,000 hours	Cast Al	180°	65	AC85-265V

PART NUMBER	Power	Color
BL-HB03-100W-277	50W	5000K
BL-HB03-200W-277	50W	5000K
